

FEES FOR PRINTING COMPANIES IN FINLAND IN YEAR 2010

1. APPLICATION FEE (Licences)

First application	EUR 2 000
Extension or renewal of licence	EUR 1 000

After receipt of the application SFS will invoice for the application fee. It is not until the application fee has been paid that the application will be dealt with. The travel costs for inspection visits will be charged separately.

Micro companies in accordance with the definition of European Commission (less than 10 employees with a turnover of \leq EUR 2 000 000/year), or applicants with especially short handling time (less than 2 days) can be allowed a 50 % discount of the application fee.

2. ANNUAL FEE

a) When the used amount of paper is under 2000 ton/year:

The annual fee is calculated by multiplying the used amount of paper tonne with value EUR 1,5. When using Swan labelled paper the rate is EUR 1,0.

b) When the used amount of paper is over 2000 ton/year:

The annual fee is calculated by multiplying the used amount of paper tonne (2000) with value EUR 1,5. When using Swan labelled paper the rate is EUR 1,0/ton. The share of over the amount is 2000 tonne is multiplied with the value 0,5 EUR/ton. The sums are counted together.

c) When the used amount of paper is over 10 000 ton/year:

The annual fee is calculated by multiplying the first used amount of paper tonne (2000) with value EUR 1,5. When using Swan labelled paper the rate is EUR 1,0/ton. After this multiply the second used amount of paper tonne (8000) with value EUR 0,5/ton. The share of over the amount is 10 000 tonne is multiplied with the value of 0,4 EUR/ton. The sums are counted together.

Minimum fee is EUR 1200 and maximum fee is EUR 30 000. To the concerns the maximum fee is EUR 45 000.

3. REGISTRATION

There will be no registration fees between Denmark, Norway, Sweden and Finland.

Value Added Tax (23 %) will be added to the prices above.

Fees will not be returned.
