

ECOLABELLING OF HOTELS / FEES IN FINLAND 1.1.2010

1. APPLICATION FEE

First application	EUR 2 000
Extension or renewal of licence	EUR 1 000

After receipt of the application SFS will invoice for the application fee. It is not until the application fee has been paid that the application will be dealt with. The travel costs outside the Nordic countries for inspection visits will be charged separately.

2. ANNUAL FEE

The annual fee is charged per licence in advance and calculated upon the estimated turnover in the current year. The annual fee of the first year will be charged to the nearest month from the date of awarding the licence but at least the minimum fee will be charged.

The fee will be charged as follows:

Annual turnover of accomodation (EUR) * 0,05 %+ EUR 675 €

- If the turnover is less than EUR 500 000, the minimum fee EUR 800 will be charged.
- The maximum annual fee is EUR 6 000 per invoicing unit in one and the same address.
- The maximum annual fee for a whole hotel chain is EUR 45 000, but at least one minimum fee (EUR 800) per hotel in one address will be charged.

3. CONTROL FEES

The costs caused by testing, inspections and other measures required by the ecolabelling criteria shall be paid by the licensee/applicant.

4. EXCEPTIONS

Micro companies in accordance with the definition of European Commission (less than 10 employees with a turnover of \leq EUR 2 000 000/year) can be allowed a 50 % discount of the application fee.

Value Added Tax (22 %) will be added to the prices above.

Fees will not be returned.
